

Tiara 3300 Open

1988-97

A big part of Tiara's success over the years has come from their popular series of inboard express cruisers—multipurpose crossover boats that split the difference between fishing and cruising. Unlike her predecessors, however, the Tiara 3300 Open is more at home in the family cruiser role where her expansive cockpit and deluxe accommodations will be most appreciated. Belowdecks, her teak-trimmed interior includes berths for six in a cabin of unusual elegance and luxury. A private forward stateroom—rare in a 33-footer—contains a double berth, and the starboard lounge converts to upper and lower pipe berths. The huge cockpit of the 3300 came standard with aft-facing jump seats, cockpit bolsters, wash-down, and transom door. An optional fishing package included an insulated fish box, tackle center, and sink with cutting board. The entire bridge deck lifts electrically for engine access. Note the tall, super-sturdy windshield and wide side decks. Twin 350hp inboard gas engines cruise at 22 knots (30+ knots top), and optional 315hp Cummins diesels cruise in the mid 20s.

Specifications

Length w/Pulpit.....	35'8"	Fuel	295 gals.
Hull Length	32'10"	Water	46 gals.
Beam.....	12'6"	Waste.....	20 gals.
Draft.....	2'3"	Hull Type.....	Modified-V
Weight.....	13,500#	Deadrise Aft	14°
