Mainship 34 Trawler

Designed for comfortable coastal cruising, the Mainship 34 Trawler combines a salty profile with sturdy construction and a practical single-stateroom interior. Many will see the 34 as the ideal boat for the cruising couple—easily handled in tight quarters, easy to maintain, and reasonably easy on the wallet. Built on a semi-displacement hull with a full keel, the galley-down layout of the Mainship 34 results in a notably spacious salon. A serving counter (with two stools) overlooks the galley, and a convertible sleeper-sofa is available to accommodate overnight guests. The U-shaped galley has all the amenities required for preparing meals including generous storage and Corian counters. Forward, the stateroom has a centerline double berth and space for an optional TV, and the double-entry head compartment includes a separate stall shower. Note that a lower helm was optional. On deck, a flybridge overhang shelters the Mainship's wide walkways. Note that the engineroom access hatch beneath the flybridge stairway is a tight fit. A single 240hp Yanmar diesel will cruise efficiently at 8 knots (12–13 knots top). Twin 315hp Yanmars reach 16–18 knots top. (The modest fuel capacity limits range with twin engines.)

Specifications

Length w/Pulpit	38'10"	Headroom	6'4"
Beam	14'3"	Fuel	250 gals.
Draft	3'4"	Water	70 gals.
Weight	20,000#	Waste	34 gals.
Clearance	15'0"	Hull Type	Semi-Disp.
