

Meridian 441 Sedan

2008-Current

The sleek styling and elegant interior of the Meridian 441 combined to make this handsome sedan yacht one of the company's best selling models following her introduction in 2008. Built on a solid fiberglass hull with shallow deadrise and moderate beam, the 441's striking profile is accented by tiered cabin windows and an aggressive hardtop design. Belowdecks, her luxurious two-stateroom, two-head interior features an opulent salon with Ultraleather sofa (with pullout bed), deluxe entertainment center, ice maker, and cherry cabinets. The galley and dinette are forward, a step up from the salon. Note the sculptured salon overhead and natural hardwood flooring in the galley area. A lower helm is optional in place of the dinette. There are two large staterooms below, each with ensuite heads. The engineroom is accessed from hatch in the cockpit sole, and molded steps lead from the cockpit up to the 441's enormous flybridge with wraparound lounge seating aft. Cummins 480hp diesels with Zeus pod drives (with joystick controls) cruise at 22-24 knots (high 20s top).

Specifications

Length.....	47'2"	Fuel	432 gals.
Beam.....	14'3"	Water	150 gals.
Draft.....	3'1"	Waste.....	55 gals.
