How to Pick Up a Mooring

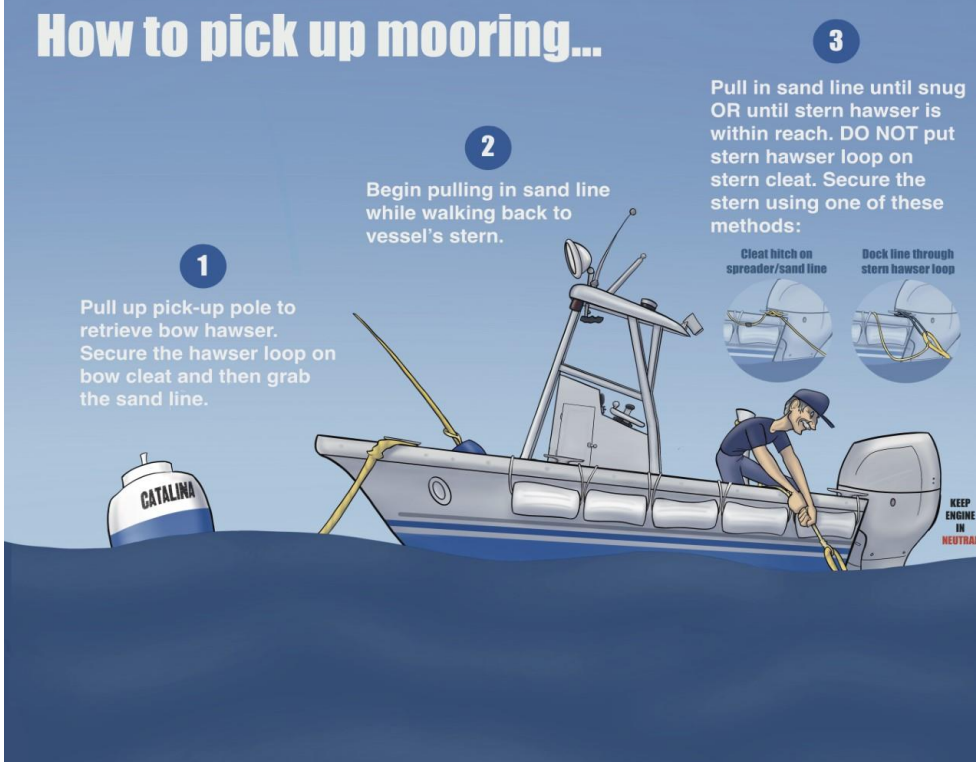

Picking Up a Mooring

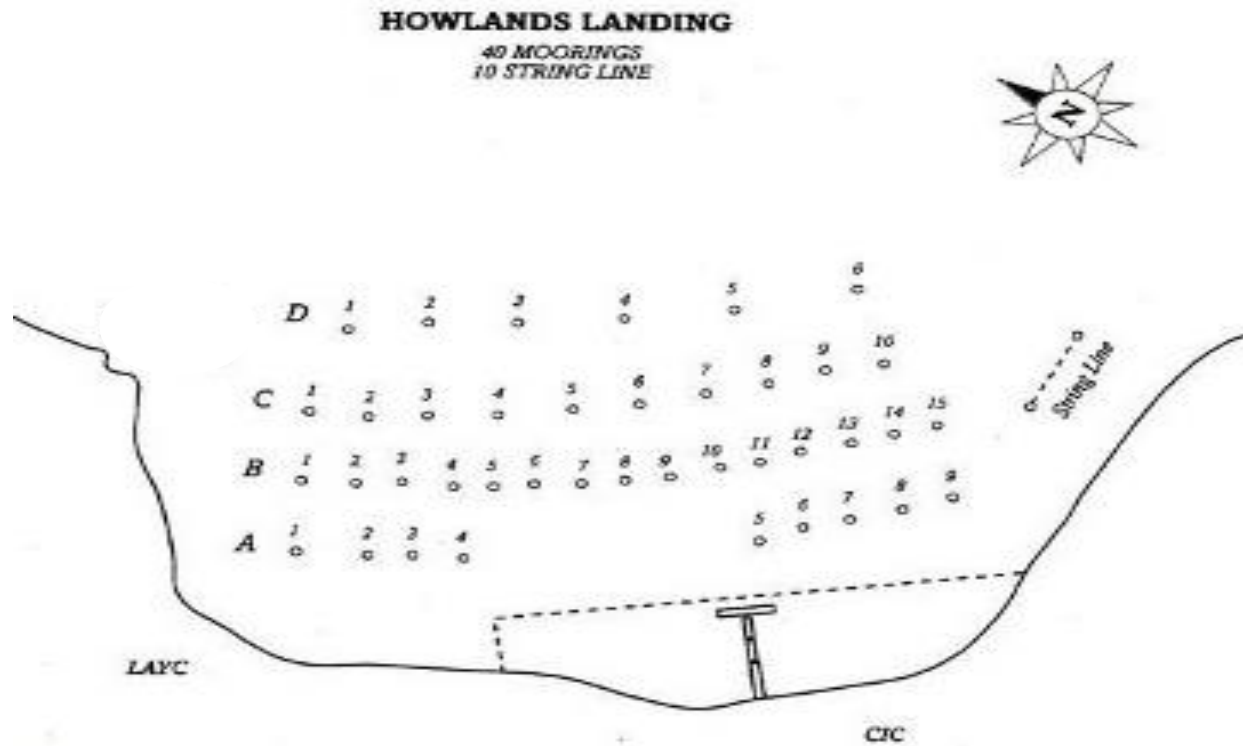

1. Pull up pick-up pole to retrieve bow hawser. Secure the hawser loop on bow cleat and then grab the sand line.
2. Begin pulling in sand line while walking it back to vessel's stern.
3. Pull in sand line until snug OR until stern hawser is within reach. **DO NOT** put stern hawser loop on stern cleat, secure the stern using one of these methods:
 - a. Cleat hitch on spreader/sand line
 - b. Dock line through stern hawser loop
4. Re-check Bow and Stern Cleats to make sure you are moored securely. You are responsible for any damages done to the mooring during your stay.

Keep the slack Spreader Line on the boat to keep the line clean.

Note: Due to changes in tidal, mooring lines may need to be adjusted periodically to add or remove slack.

Howlands Landing Mooring Field

Catalina Coves with Moorings

Two Harbors Mooring Rules and Regulations

Purpose

The Two Harbors system offers over 700 moorings and anchorages in more than a dozen different sites in the Catalina Island area, including Isthmus, Fourth of July, and Cherry Coves, Emerald Bay, Howland's Landing, Little Geiger, White's Landing, Moonstone, Hen Rock, Buttonshell, Catalina Harbor and Wells Beach (collectively, "Two Harbors"). These Rules and Regulations have been adopted for the safe, secure, and efficient operation of Two Harbors and shall apply to all persons, vehicles, vessels, mooring sublessees, guests, invitees, and other public users of the Two Harbors' anchorages, moorings, coves, facilities and marina area. A copy of the Rules and Regulations will be posted in the Catalina Mooring Service office in Two Harbors village at all times and will be available for reference at www.visitcatalinaisland.com. Operator (defined below) reserves the right to make any additions, deletions, or corrections to the Rules and Regulations at any time.

Management

Two Harbors is managed by Island Recreation Enterprises, LLC through its manager Catalina Island Company ("Operator"), operating under the names Two Harbors Harbor Department ("Harbor Department") and Catalina Mooring Service. All users of Two Harbors shall comply with the directions of any employee of the Harbor Department, including, but not limited to Harbor Patrol staff, the Harbor Clerk, Mooring Manager, Harbor Office Assistant, Harbor Department Manager, Harbor Office Manager, and/or the Managing Director.

Enforcement

Use of the Two Harbors ocean area is conditioned upon and deemed a consent to, and agreement to follow, these Rules and Regulations. Users are responsible and liable for any and all damage to persons or property resulting or arising from their acts, failures to act, and/or omissions. Violators of these Rules and Regulations or the terms of applicable moorage agreements shall be subject to administrative action that may include, but is not limited to, moorage agreement cancellation, penalty charges, removal of vessel and/or equipment, impoundment and/or sale of vessel and equipment, loss of the right to remain at Two Harbors and/or referral to law enforcement agencies.

Mooring Subleases

Vessel owners seeking an annual mooring arrangements should contact Operator to inquire about entering into a Mooring Site Sublease and Service Contract ("Sublease"). All vessel owners seeking moorage at Two Harbors must enter into a Sublease or a short term moorage agreement with Catalina Mooring Service or the Harbor Department, and must pay, in advance, all fees, deposits, and taxes as required by the Catalina Mooring Service, the Harbor Department and by the Sublease or any other moorage agreement. These Rules and Regulations are incorporated into each and every mooring agreement and a violation of these Rules and Regulation shall be a violation of the Sublease or other mooring agreement.

Short Term On-Line Mooring Reservations

- 1) Every Thursday at 8:00 pm, availability will be loaded for the coming weekend. Inventory will be available until the following Monday;
- 2) A booking fee (currently \$25) will be added to all applicable mooring fees during regular weekends (see fee schedule below);
- 3) Additional booking fees may incur on holiday weekends, including Memorial Day, 4th of July, and Labor Day.
- 4) A 2-night minimum stay is required during regular weekends. Holiday weekends require a 3-day minimum stay;
- 5) The Harbor Department can extend your stay in Two Harbors after check-in;
- 6) You need to book online using this link: <https://www.visitcatalinaisland.com/two-harbors-mooring-reservations/>
- 7) Reservations are non-refundable and do not guarantee a mooring within a specific cove;
- 8) The Harbor Department reserves the right to reassign your mooring at any time;
- 9) Trading moorings within a cove or between coves shall not be permitted without prior approval by the Harbor Department;
- 10) This system can be used for the coming weekend only;
- 11) The foregoing policies and procedures are all subject to change without notice.

Permitted Vessels

Vessels moored and/or anchored shall be of conventional pleasure craft design and self-propelled. Crafts of unconventional design, such as barges, floats, houseboats, etc., shall not be permitted. The Harbor Department shall have sole discretion in determining whether a vessel is permitted to moor or anchor in the Two Harbors area. Rowboats, skiffs, dinghies, kayaks, canoes, paddle boards, personal watercraft, rafts and all other floatation devices shall be stored on or tied to the vessel and must not be used in a way that creates a navigational hazard or interferes with other vessel use. Sailing in the mooring areas is not allowed. Sailboats must enter and leave mooring areas under self-propelled power.

Emergencies

In the event of any threat to human life, safety, property, or in the event of any other emergency, please contact the Harbor Patrol on VHF 9 or (310) 510-4253. Mechanics at the Two Harbors Outboard Shop are available year-round to work on all major brands of engines and boats. To contact the Outboard Shop, call (310) 510-4212 or hail on VHF 18A.

Waste Disposal

Deposit or discharge of garbage, food scraps, sewage, grey water, trash, waste materials, oil, fuel, debris, or other materials in the water or on land areas of Two Harbors other than in designated containers, is strictly prohibited. Dumpsters and recycling bins are located on the east side of Two Harbors behind the restrooms. These containers are for normal household waste only, not large items. All trash must be separated. Please put metal and glass in one bag and all else in another bag. Because all trash collected outside of Avalon is shipped to the mainland, boaters are urged to take their trash home with them. The trash pick-up vessel services all leeward coves during summer months. Contact the Harbor Patrol on VHF 9 or (310) 510-4253 for pick-up times.

Pump Out Service

All solid and liquid waste must be disposed of in designated facilities. Cat Harbor is serviced by a Pump-Out boat. The main float in the isthmus has a Pump-Out station. Pump out service in Cat Harbor is available upon request and can be requested on Channel 9. The owner of the vessel is responsible for handling the hose on the pump out boat.

Marine Fuel Dock

Gas, diesel, and water are available year-round at the Fuel Dock. Propane is available onshore. Hours of operation (currently 8:00AM to 4:00PM, with extended hours in the summer) shall be posted at the Fuel Dock and the Harbor Department office. Fuel sales must be paid for at the time of delivery. Fueling of vessels may occur only at the Fuel Dock. No wash downs are permitted.

Pier and Dinghy Docks

Isthmus Pier is only to be used by Shoreboats and the Harbor Patrol, although quick passenger unloading is allowed. No unattended vessels are allowed at Isthmus Pier. Dinghy docks (for small boats under 14 feet in length, that are carried on or towed behind a larger boat as a tender) are located in Isthmus Cove and Cat Harbor where temporary docking (no more than 72 hours) is provided while the owner and/or guests of vessels registered to moor at Two Harbors come ashore. Long bow lines are required to tie dinghies to the dock. Personal watercraft (vessels which use an inboard motor powering a water jet pump as its primary source of motive power and are designed to be operated by a person sitting, standing, or kneeling on the watercraft) are not permitted to tie up at either dinghy dock. Skateboarding, riding bicycles (including motorized bikes), motorized transport devices, and roller skating/roller blading are not permitted on the pier or docks. In the event of any violation of these docking rules, the vessel, dinghy and/or personal watercraft shall be towed off the dock and placed on a mooring ball (full transient mooring fees shall be applied). Shoreboat service to and from the pier and docks may be hailed by horn, flashlight, via VHF 9 or (310) 510-4253.

Speed Limit

Vessels underway in the Two Harbors area shall be operated at minimum safe steerageway speed. Two Harbors is a NO WAKE zone. Vessel operators must observe the five-mile per hour, no-wake speed limit near mooring areas and anchorages and shall be subject to fines and penalties for violating Two Harbors' no-wake speed limit.

Noise

All persons in the mooring and harbor areas of Two Harbors must observe quiet hours between 10:00 PM and 7:00 AM. Excessively loud or amplified sound and music that disturbs other Two Harbors' guests is not permitted at any time.

Generators

Quiet hours apply for all generator usage. For safety reasons, generators may not be running when going ashore. Commercial-grade generators are not allowed. Decibel levels must be below 60dB, (normal voice level). Any use of generators in violation of these rules should be reported to the Harbor Department on VHF channel 9.

Bright Lights

All bright deck and underwater lights must be dimmed during quiet hours.

Fees and Charges

All fees, charges, and fines of any nature prescribed by Operator shall be charged and collected under the authority of the Sublease or these Rules and Regulations. Operator reserves the right to deny use of Two Harbors for moorage or all other purposes to those persons who fail to comply with these Rules and Regulations, Harbor procedures, provide proper documentation, or who fail to pay fees and charges promptly when due.
