#### Kristin Chenoweth

A Tony®- and Emmy Award®-winning star of stage and screen, **Kristin Chenoweth** has recently been seen on Oprah's television finale and as April Rhodes on the hit series *Glee*. On her new album, *Some Lessons Learned*, the star of Broadway's *Wicked* returns to her musical roots with a personal exploration of her life experiences as a woman. The album features songs by elite pop and country songwriters and is influenced by the performers Chenoweth admired while growing up in Oklahoma. Available on Amazon.com.

### Channel 10

#### Delta Features

A modern tribute to late 60's Brazilian Tropicália movement, **Red Hot + Rio 2** features original collaborations with Brazilian legends and indie artists. The album sheds new light on the songs of this influential and political era, which changed the culture of the country forever. The latest entry in the series of tribute albums produced by the Red Hot Organization to raise money for HIV/AIDS awareness and prevention.
