SHANA 107' REAGAN MARINE

Bob Leslie 310.821.5883

Well-built vessel ready for her next ocean adventure.
All cash offers will be considered.
Shana is a beautiful, timeless, elegant, eye-catching
full-displacement motor yacht.

Built by Reagan Marine and designed by legendary Glade Johnson with naval architect Guido Perla.
She is the proud recipient of the Super Yachts Society Design Award.
Her modern styling of a curved wheel house and elongated bow turn heads at every marina.
Her solid construction and fuel economy allow for ocean cruising.
