Nordic Tug 37

Tugsy Sea Gull is one of the cleanest and best-maintained 37-foot Nordic Tugs on the market today. She is a freshwater boat loaded with charm and appeal. *Tugsy*—yes you can call her that—boasts serious seakeeping ability along with all the comforts one would expect of a larger yacht. Her two-stateroom layout features a forward master stateroom and spacious saloon and galley. This Millennium Edition Nordic Tug sleeps six; four in two staterooms, and two more on the saloon's convertible sofa. The upgraded dinette table converts into a coffee table as well.

Her Raytheon navigation suite comprises GPS, autopilot and radar, and there is also a TracVision satellite TV system onboard. She has a bowthruster to ease maneuvering in close quarters. *Tugsy's* owners have taken care of her with a tremendous amount of pride, and are sincere about selling her.
