The yacht that says you've arrived long before you reach your destination.

Beneteau has blended the best of French elegance, Italian passion and sports car inspired design to create the new Flyer Gran Turismo. Its open interior utilizes every inch of space in an efficient and natural manner. Stunning lines are sure to turn heads out on the water as much as in the marina. And technical innovations like the Air Step® hull mean the Flyer Gran Turismo is no mere pretender. In the world of express cruisers, it is the genuine article.
