Accommodations

Mine Games is a 62 meter (203 foot) Benetti motoryacht comprised of a steel hull with an aluminum superstructure. She was built to comply to BV, MCA and ABS A1 E AMS MCA standards. Notable features include: an elevator that accesses all of the decks, Quantum at Rest Zero Speed stabilizers, an air-conditioned or open air gymnasium, a baby grand piano, a beach garage, a fuel efficient bulbous bow and a helicopter landing pad.

Mine Games offers accommodations for twelve to fourteen (12-14) guests. The owner's main deck three-room master suite's private salon, a VIP cabin on the bridge deck, three double cabins, two of which have a Pullman berth, and one twin stateroom on the lower deck.

Situated forward on the main deck, the master suite private salon is comprised of a dressing room, office area and large lounge area, his and hers bathrooms and a raised bedroom with doors that open to the exterior foredeck area. She is also capable of carrying up to sixteen (16) crew.

Owner Guest Cabins

The owner's main deck's three room master suite's private salon is located on the forward area of the main deck and is full beam. The owner's private salon is accessed forward of the main foyer on the starboard side through a dressing area with a spacious wardrobe and a sofa.

Upon entering the owner's salon area there is a taupe sofa with painted black sequins frames and four ottomans located in the center of the room which can be configured as one desires. Bookshelves are placed along the sides of the lounge area and an office desk and desktop computer with an armchair are positioned on the port side of the cabin. The cabin features the classic lines of the yacht design with furniture in mahogany and gold-plated inserts. It also features ceilings with spot lights and cream colored upholstery.

Forward between the master lounge and the entrance to the bedroom are two bathrooms to port (his) and starboard (hers). The port side bath has a Jacuzzi tub. The raised master bedroom is located forward. The cabin is well illuminated by natural light due to the size and number of the windows as well as an overhead round skylight with retractable shading. The owner's stateroom is richly decorated with a prevalence of gold details and art works which are carried throughout the yacht.

Guest Staterooms

The main foyer stairs or elevator allow access to the four guest cabins located on the lower deck. The three double cabins are fitted with a queen-size bed, a desk, an armchair, a walk-in wardrobe and a bathroom with bathtub.

In each stateroom a crocodile pattern appears on brown and green leather walls. The Forward Starboard guest stateroom is also fitted with a Pullman bed. The port forward cabin has twin beds, a Pullman bed, a generous wardrobe and a bathroom with shower.

An additional stateroom is also present on the sky lounge deck on the starboard side. This is the VIP stateroom with a comfortable king size bed, a sofa, a large wardrobe and a desk with chair. The bathroom is equipped with a Jacuzzi bathtub.

Main Areas

The interior displays burl wood panels, to countless Swarovski crystals embedded in black lacquer furniture. The décor features many custom design details, such as the dining room chandelier containing dozens of crystals set at varying lengths to diffuse the LED back lighting across 12 rounded, upholstered dining room chairs. There is a selection of fine Italian marbles throughout the yacht (including Botticino, yellow Siena and gold Calacatta).

Main Salon

The main salon consists of the aft area bar area, table, sofas, loose chairs and the fwd dining salon. The main salon area is composed by two large sofas, four armchairs and two coffee tables located opposite one another. There is a bar area located near the sliding doors aft port side, equipped with a small fridge and an ice maker.

Dining Area

The dining salon is divided from the sofa area by a central pop/up television console and it is comprised by a black lacquered dining table with 12 guests' seats and a stunning crystal chandelier.

Pantry Main Deck

Forward of the port side door of the dining salon is the main pantry equipped with a Miele coffee machine, a Zanussi glass washer, an Hoshizaki ice maker, a Santos fruit mixer and a Euro Cave wine cellar. The pantry leads forward into the galley and is also connected by a staircase to the crew area. There is also another staircase leading to the upper pantry and a door to the main foyer.

Galley

The galley is located forward of the main deck port side pantry. This area is spacious and is equipped with quality equipment. To port is a dual sink area with perimeter cabinetry. Located center located is an island with a dumb waiter lift just forward. To starboard is the stove top and ovens. Located starboard aft is the refrigerator and freezer storage.

Appliances:

- 2 Zanussi Refrigerator / freezers
- 2 Zanussi Ovens
- 1 Fan Extractors
- 6 Zanussi induction hobs
- 1 Zanussi Grill
- 1 Zanussi Fryer
- 1 AEG Microwave
- 1 Zanussi Dishwasher
- 1 Hoshizaki Ice maker

Crew Area & Mess

The six crew cabins are located on the lower deck forward. They are each outfitted with two beds and bathrooms. Located a deck below the crew quarters is the crew mess area which is spacious and well laid out. The crew mess features two large seven seater sofas, located on the sides of the room with wooden tables and chairs.

The room is also equipped with cabinets and a galley area with a television system that includes a flatscreen Sharp TV, satellite receiver and Denon amplifier, a AEG microwave, a Miele refrigerator, a Miele dishwasher, a Saeco coffee machine, a ships monitoring system and a ships fire detection alarm control panel. Aft of the crew mess is the laundry facility, equipped with three Zanussi washers, three Zanussi dryers and a roller Miele.

Walk In Fridge & Freezer

The yacht is provided with a refrigeration compartment that is able to maintain a minimum temperature of 0°C and a freezer compartment that is able to maintain a minimum temperature of 25 °C. The refrigerator and freezer compartments are of walk-in type with doors are openable also from the inside in case of emergency. The interior walls of the cold rooms are lined with stainless steel plating. Stainless steel shelves with adjustable shelving are installed in each compartment two compressors are installed and serve each room.

Main Deck Foyer

The starboard door of the dining area leads to the sumptuous main foyer appointed with a marble floor, two bronze sculptures, a spacious elevator, a day head, an entry door to the owner suite, staircases down to the lower guest cabins or up to the skylounge salon.

Skylounge

The sky lounge is located on the upper deck and is fitted with corner sofas, armchairs, a television system, a baby grand piano and an aft door which leads to the exterior dining area.

The forward area of the salon is comprised by a bar area outfitted with bar furniture, bar stools, a small refrigerator, an ice maker and sink. The forward starboard door of the skylounge salon leads to the upper lobby where the elevator, a day head and an entry into the VIP cabin are located.

Forward of the salon to the port side is the upper pantry. This area is equipped with domestic equipment such as an AEG fridge/freezer, an AEG Microwave, a Zanussi dishwasher, a Miele coffee machine, a Hoshizaki ice maker, and a small Alessi vacuum.

Bridge

Forward of the upper lobby area is the bridge deck comprised of the captain's cabin with a double bed, desk with chair and bathroom with shower. Off to starboard of the cabin is the radio room equipped with a desk, chair and cabinets. The wheelhouse is forward of the radio room and is well laid out with a central guest sofa and a well equipped dashboard fitted with the navigation electronics.

Sundeck

The sun deck is accessed from either the elevator, aft of the sky lounge deck from the port side staircase or through the port side crew pantry staircase. Entering from the aft staircase there is a raised helicopter deck located center aft which can be utilized as a lounge/sunbathing area with loose outdoor furniture and covered awnings.

Forward of the helicopter deck/lounge area is a round dining table to center with an updated television area just forward. Starboard of the dining area is an updated bar area with teak bar top.

The gym is located in the center of the sun deck and can be accessed either the port or starboard side via the retractable doors. The spacious glass walled air-conditioned gymnasium is equipped with a new standalone treadmill, Smith lifting gym, free weights and yoga

equipment, a television and audio video system. The gym area also contains a toilet and Turkish bath with shower. The gym can be accessed via the elevator.

Forward of the gymnasium is the Jacuzzi area. The Jacuzzi is located on a stepped platform central with sunbathing areas to port as starboard. There is also a mirrored seating area with tables to either side.

Engine Room

The Engine Room is located toward the aft, and it is featured by the presence of the main engines along with its subsidiary machinery, the diesel generators, pumps, compressors, piping and all components of the main systems on board.

An Engine Control Room is also located towards the aft, and through the glass window installed on the bulkhead, it is possible to have a visual control of the engine room. The room is equipped with aluminum panels insulated with mineral wool and the interior is lined with micro-perforated panels in order to reduce the noise of the engine room. Four main switchboards and monitors to control the vital parameters of all the electrical system are installed within the Engine Control Room.

Mine Games was built to have a 5,000nm range, but has exceeded that by an additional 2,000 nm at 12 knots. The significant change to the original 60m design being stretched by two meters and the addition of the bulbous bow created a longer waterline and more economical performance.
