marble topped bar with refrigerator, icemaker and wine chiller, to starboard are built in cabinets that provide plenty of storage. The finish is in finely grained hi-gloss maple accented perfectly by fluted columns, crown moldings and a central light feature. The maple finish is perfectly complimented by light soft goods, furnishings and window treatments. On the forward bulkhead, a 50" flat screen TV with home theatre surround sound is surrounded by maple cabinetry and grooved columns.

Forward of the salon to port is the day head finished in marble and the doghouse which provides exceptional stowage for long trips. The dining salon is separated from both the galley and the main salon and provides comfortable seating for eight in a formal setting around a contemporary glass dining table. For additional privacy there are sliding pocket doors forward of the salon and aft of the galley. There is ample storage in maple cabinetry for fine china and crystal service. The galley forward is well equipped for the crew to provide formal table service and also has an informal dining area for breakfast and morning coffee. Access to the crew accommodations is midships and forward of the galley and comprises of one twin stateroom and one double stateroom for the captain, both crew staterooms have ensuite heads and showers and are finished in similar fashion to the rest of the yacht.

The forward end of the flybridge is covered by a bimini and also has a complete flybridge helm position. Crew access throughout Antithesis is discreet with access to the galley from the side companionway doors and access to the sundeck from either the pilothouse or aft deck.

Engine Room

The Euro style transom gives access to the swim platform and houses a hydraulic passarelle. The engine room can be accessed through either the stern garage door or a companionway on the starboard side deck.
