

Cerri Cantieri Navali CCN 102 FLYING SPORT

Make	Model	Length	Price	Year	Condition
Cerri Cantieri Navali	CCN 102 FLYING SPORT	102 ft	\$ 10,800,000	2016	Used

Boat Name	Hull Material	Draft	Number of Engines	Fuel Type	Location
CCN 102 Flying sport	Fiberglass	5 ft 10 in	2	Diesel	Fort Lauderdale, FL, United States

A factory demonstrator that is available now with new boat warranties. The CCN 102' Flying Sport is the optimal combination of speed, luxury, quality and cool. Italian style accented with her blue metallic paint stands out on the water, especially when she blows past other 100' yachts with a top end of 40 knots and cruise of 34. A spacious 4 stateroom, 5 head layout with a very large 23'8" beam create the the entertainment and social spaces found on much larger yachts. The quality of the build is apparent when you step onboard for the first time, feeling the solid construction of the decks, cabinetry and fittings. The exhilaration of cruising...

CCN 102 description

Designed to excite and to experience the sea is a unique way, the CCN 102 FlyingSport enhances all the winning features of the line it belongs to, combining wisely the comforts of the flying bridge with the sportiness and speed of large open yachts in a perfect mix of style, technology and functionality.

Thanks to hydrodynamic features of hull, the ZF Searex 160S surface drives paired with MTU 16V2000 M96L engines, the CCN 102' can cruise at speed of 34 knots and achieve a top speed of 40 knots.

Outside, the over 300 sq. ft flybridge is extremely flexible and customizable. A second piloting station can be found here, while just aft is an extendable dining table, a folding television, BBQ, fridge and large sunbathing area.

Besides the flybridge, the 102 CCN also boasts two other pleasant outdoor social areas. The aft deck features a comfortable sunbathing area and a dinette with multi functional table, while at the boat is a sunbathing and round sofa that can comfortably seat up to 14 people.

On the main deck, the focus point of the spacious main salon is the forward backlit wall, with bamboo lathwork alternating with serigraphed glass and mirroring surfaces. In the middle stands a large sofa opposite cabinetry housing the lift actuated TV and storage.

Aft deck access is gained through a leather lined entrance, where to port you will find the main deck day head and to starboard is the stairwell to the chef's galley.

The modern lower helm station is characterised by a new design with instrument panel lined in leather with double stitched flat fell seams. The wide windshield ensure outstanding visibility. Aft of the lower helm is a unique feature for a yacht this size, a spacious captain's cabin with ensuite head and shower.

The entire lower deck has been used for accommodation, with the full beam master cabin and 3 guest cabins with the same stylistic features seen throughout the rest of the yacht. A passageway entry has a breakfast bar with fridge and then aft is the master stateroom, while forward the 3 other guest cabins can be found each with ensuite private bath.

Engine /Mechanical/ Deck equipment

Additional Information and Photos

2 MTU 16V2000 M96L 2600 HP
Kohler 45 kW generators
Hydraulic steering
