YACHT DETAILED DESCRIPTION

Overview

"**UNTETHERED**" is without a doubt a tribute to the ability of Viking Yachts to produce a custom 82' Viking Convertible. The yacht's interior is a showpiece of elegance and luxury. Her custom high gloss cherry wood interior accentuates the warm, classic elegance as you enter the yacht's salon. Features include; crown molding, with real cherry and holly flooring.

The 22 foot 4 inch beam provides for a spacious salon, transforming the space into a majestic living area with plush appointments. Salon amenities include; a 50; inch flat screen television, custom desk, electric blinds, and custom designed Channel Glass. The main living area is also equipped with a fully appointed galley with Subzero appliances, granite countertops, a day head, and dinette to port.

Additional Information and Photos

This 82 Convertible offers a spectacular master, two guest staterooms, and a spacious crew quarters. Each stateroom is appointed with its own private head and shower. The full beam master suite features a king size walk-around bed, his and her private ensuite heads, and walk-in closets. The crew quarters are accessed from the bow, complete with a crew galley. Her

beautifully finished interior continues on the enclosed fly bridge and opens to the aft upper deck with a custom opening aft window allowing you to bring the inside and outside together. Above the enclosed bridge is a skybridge providing the option of riding outdoors on an open flying bridge. The bridge features a third helm station and accommodates plenty of seating for the whole family to enjoy.

The communication, navigation and entertainment electronic package was designed with the industries best technologies as a state of the art AtlanticMarine Electronics package. "UNTETHERED" must be seen to be appreciated!

Some of the many custom features on this meticulously built yacht include:

- Teak bulkhead, transom, toe rail and cockpit
